In Attention of:
IPA Presidents, members of the Regional Central European Working Group
(Austria, Bosnia-Herzegovina, Croatia, Czech Republic, Germany, Hungary, Romania, Slovakia, Slovenia, Ukraine)

Dear Presidents,

The National Executive Committee of International Police Association, Republic of Moldova Section, greets you collegially and assures you of our highest consideration.

In the context of what was discussed at our first meeting of the Regional Working Group, IPA Moldova informs you that during 26 – 29 of September 2024, we are organizing a cultural event, which will be hosted by our renowned unique Cricova Winery (<https://cricova.md/en/about-us/>).

The event aims promoting specific Moldovan national values and traditions, especially during the harvesting of grapes and their processing into wine products, with direct involvement in this technological process. This will also contribute to the development and strengthening of friendship and cohesion within our Regional Group, as well, we will have the opportunity to share our own cultural practices and experiences in an informal atmosphere.

The activity will end up with the production of a short film that will reflect the beautiful atmosphere and experience of the event, and the result of our harvesting work.

Also, meetings are planned to be organized with the leadership of the Ministry of Internal Affairs, the Police Academy and other central entities from the Republic of Moldova.

Thus, we are eager to invite the IPA presidents from Central European countries to participate in this event.

The accommodation and food expenses of the IPA presidents from Central European countries will be covered by IPA Moldova.

The price for the participation of additional persons is 650 €/per person.

We apologize for the limited time for confirmation, but please confirm your participation by September 15, 2024.

We thank you in advance for accepting our invitation and looking forward meeting you in Moldova.

Servo per Amikeco!

President
