A Cultural Celebration in Jerez de la Frontera

Dear colleagues,

We are pleased to present the activity dossier for "**Zambomba 2025**", a unique cultural celebration deeply rooted in the traditions of **Jerez de la Frontera**, Spain. This festive event, recognized as an Intangible Cultural Heritage of Andalusia, offers an authentic experience of flamenco, community, and Christmas spirit in one of the most emblematic cities of southern Spain.

Jerez, renowned worldwide for its wine, horses, and flamenco, is easily accessible thanks to its **international airport** (XRY), which connects the city to major European destinations, making participation from other IPA Sections truly viable.

We believe that Zambomba 2025 represents not only a joyful seasonal gathering but also an opportunity to promote intercultural exchange and showcase the richness of our local traditions within the IPA community.

We kindly request the transmission of this proposal to the International Section for its dissemination and inclusion in the international IPA activity calendar.

Warm regards,

IPA Xerez Section
