"BE ONE OF US"

Dear Presidents

Dear IPA Members

IPA National section Serbia organizes the **5th IPA MANAGEMENT ACADEMY 2026 in the Belgrade**.

The fundamental base of this event is to exchange ideas, develop new skills, strengthen our friendship and companionship, to improve communication and interpersonal skills and knowledge for promoting IPA and its goals at regional, national and international level.

We have the honour to host this event in 2026 in and do our best to organize a seminar full of memories, knowledge and experiences. Sections Romania, North Macedonia, Bulgaria and Cyprus hosted the last 4 years this event with great success, and our expectations are to reach what the others hosts did or even better, to take this experience to the next level.

We invite you to join us in this IPA international event, (Agenda and Registration form are attached).

It will be an experience with presentations on the topic **BE ONE OF US**, with group workshops and enjoyable breaks.

Our main idea is hiding behind the opportunity that each section will be able to present its main core in which it created the recruitment strategy of hiring new members and to promote young people to join as well as be active in our association. IPA is following an ongoing pathway which needs more hands and minds to continue write history.
