War in Ukraine – Offer of help

Dear IPA President of Section Ukraine Mr. Vasylyshyn,
My dear friend Andrii,

Deeply saddened we have learned about the terrible situation in Ukraine, after Russian military entered your territory. We are shocked about the war that is taking place in front of our door step. As you know the International Police Association (IPA) is promoting values of peace and friendship, and strongly beliefs in its strength described in our motto “service through friendship”.

In this respect the Germany Section as the biggest section in the world would like to offer your IPA members and their families their full support. Whatever it is, please do not hesitate to get in contact with us. We already received many offers from German IPA members who would be happy and willing i.e. to host Ukrainian IPA Members or their family in Germany. In addition to this I will write a letter to the IPA Sections Moldavia, Slovakia, Rumania, Hungary and Poland, and offer them our humanitarian support.

Please let me reassure you, that you are not alone. Our IPA family is ready to help, where help is needed. Best regards and all the best wishes from the executive board of IPA Germany.

Yours in friendship

Oliver Hoffmann

President
